Dear Supervisors:

**LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY
DISCRETIONARY INCENTIVE GRANT FUNDS
MEMORANDUMS OF UNDERSTANDING
SUPERVISORIAL DISTRICTS 1, 2, AND 4
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Public Works, or his designee, to enter into Memorandums of Understanding (copies enclosed) with the Los Angeles County Metropolitan Transportation Authority to receive discretionary incentive grant funds from the Los Angeles County Metropolitan Transportation Authority for the Willowbrook/Athens/Rancho Dominguez and Whittier, et al., Dial-A-Ride Services.
2. Instruct the Director of Public Works, or his designee, to sign the Memorandums of Understanding.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On May 23, 2002, the Los Angeles County Metropolitan Transportation Authority (MTA) Board adopted staff recommendations for funding the Willowbrook/Athens/Rancho Dominguez and Whittier, et al., Dial-A-Ride Services through the Proposition A Discretionary Incentive Sub-Regional Paratransit Program.

Execution of Memorandums of Understanding between the MTA and the County is necessary for the County to receive Proposition A Discretionary Incentive Sub-Regional Paratransit Program funds from the MTA for these paratransit projects.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan of Fiscal Responsibility by seeking grant funds to supplement limited County funding available for transit services and Organizational Effectiveness by expediting the approval process of receiving the grant funds in an effective and efficient manner.

FISCAL IMPACT/FINANCING

The MTA provides Proposition A Discretionary Incentive Sub-Regional Paratransit Program funds for up to 25 percent of the cost of public transit projects that meet MTA's eligibility and performance requirements. Public Works will administer the Willowbrook/Athens/Rancho Dominguez and Whittier, et al., Dial-A-Ride Services under the terms of the Proposition A Discretionary Incentive Sub-Regional Paratransit Program Memorandum of Understanding. These paratransit projects are included in the annual budget and are financed from the Proposition A Local Return Transit funds available in the Transit Enterprise Fund administered by Public Works.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Memorandums of Understanding have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

On May 15, 2001, Synopsis 92, your Board found these services to be discretionary projects that are statutorily exempt from the California Environmental Quality Act pursuant to the Public Resources Code 21080 (b) (10) under transportation-related projects.

CONTRACTING PROCESS

Adoption of this recommendation will allow Public Works to act on behalf of the Board to expedite the processing of administrative matters associated with managing public transit projects approved by the MTA to receive Proposition A Discretionary Incentive Sub-Regional Paratransit Program funding.

**PROPOSITION A DISCRETIONARY INCENTIVE GRANT PROGRAM
MEMORANDUM OF UNDERSTANDING
FOR SUB-REGIONAL PARATRANSIT SERVICES**

CONTRACT NUMBER MOULPA03DPW1

WHEREAS, on November 14, 1980, the voters of the County of Los Angeles approved by majority vote Proposition A, an ordinance establishing a one-half percent sales tax for public transit purposes; and

WHEREAS, the MTA had established the Proposition A Discretionary Incentive Program ("Program") to provide specialized transportation service in conjunction with the County of Los Angeles in accordance with the requirements of the Proposition A Incentive Program Guidelines, adopted September 26, 2001, ("Guidelines"); and

WHEREAS, the MTA defines a sub-regional paratransit program as a consolidated specialized transportation service that serves two jurisdictions or more with a minimum of 25,000 residents or any three nearby jurisdictions, or in the case of an unincorporated county area, a two jurisdiction program in which the County portion is at least one-fifth (1/5) the population of the coordinating city; and

WHEREAS, the Los Angeles County Department of Public Works ("Grantee") recently requested funds under the Program for its Willowbrook Tri-Community Dial-a-Ride; and

WHEREAS, at its May 23, 2002 meeting, the MTA authorized the GRANTEE to receive funds under the Program; and

WHEREAS, the MTA has approved the following goals for implementation of the Program:

1. Coordinate and improve services provided by cities, operators, and social service agencies to achieve more efficient and cost effective systems;
2. Improve the mobility of persons for whom regular fixed route transportation is either inadequate or inappropriate;
3. Encourage the use of local transit funds for projects of regional significance and benefit, such as the provision of Americans with Disabilities Act (ADA) complementary paratransit;
4. Provide more cost efficient locally funded sub-regional paratransit systems as an alternative to the more costly Access Services Incorporated (ASI);

NOW, THEREFORE, MTA and GRANTEE hereby agree to the following terms and procedures for transfer of the Discretionary Incentive Grant funds ("Program Funds"):

ARTICLE 1 TERM

- 1.0 This Memorandum of Understanding ("MOU") will be in effect from July 1, 2002 through June 30, 2004 unless terminated earlier as provided herein.

ARTICLE 2. SERVICE STANDARDS

- 2.0 The GRANTEE shall use the Program Funds to provide specialized transportation services as described in the Scope of Work attached as Attachment A (the "Project") to eligible paratransit users as a coordinated transportation program with the agencies as specified in this MOU and in accordance with the Program Guidelines.
- 2.1 GRANTEE shall document coordination activities with existing transit services and with participating local governments. This documentation shall consist of executed agreements, joint resolutions, and/or approved implementation plans. Within 90 days from the date the MTA board approves initial funding marks for this program, GRANTEE shall provide such documentation to the MTA prior to receiving any Program Funds for the applicable Fiscal year.
- 2.2 In order to be eligible for the Program Funds, GRANTEE shall:
- A. Operate as a consolidated Sub-Regional Paratransit Program;
 - B. Use all Program Funds to increase the number and mobility of the passengers carried. Incentive funds may not be used to reduce a city's or Los Angeles County's contribution of Proposition A and/or C Local Return or other funding sources;
 - C. Coordinate proposed services, including executing appropriate transfer agreements with adjacent systems, social services agencies, and the regional operators; and,
 - D. Where applicable, coordinate American With Disabilities Act (ADA) trips to assure cost-effective service provision.

ARTICLE 3. ESTABLISHMENT OF ANNUAL FUNDMARK

- 3.0 As the Willowbrook Tri-Community Dial-a-Ride has not been previously funded through the sub-regional paratransit program, it is considered to be a "new" project.
- 3.1 Consistent with Proposition A Incentive Guidelines, for the first two years new projects are to be funded at 20% of audited net operating costs.
- 3.2 Based upon \$146,000 in estimated net annual operating costs for FY '03, and to the extent the Program Funds are available, the MTA Board, at its May 23, 2002 meeting, authorized a \$29,000 annual fundmark for the project for FY '03.

- 3.3 For FY '04, to the extent the Program Funds are available, MTA staff will develop funding marks for the Sub-Regional Paratransit Program to be funded that fiscal year (the "Annual Fundmark"). The Annual Fundmark will establish GRANTEE's share of the funds for the Sub-Regional Paratransit Program to the extent the Sub-Regional Paratransit Program is funded that fiscal year. GRANTEE shall have the opportunity to review and comment on the Annual Fundmark prior to the MTA staff submitting the Annual Fundmark to the MTA Board for approval. MTA Board approval will be required prior to fund disbursement.
- 3.4 Consistent with Proposition A Incentive Guidelines, the FY '04 fundmark shall be calculated based upon the \$29,000 annual fundmark for FY '03 multiplied by the applicable Consumer's Price Index (CPI) for the preceding year.
- 3.5 For each fiscal year covered by this MOU, MTA will allocate GRANTEE's share of the funds pursuant to the Annual Fundmark for that fiscal year as approved by the MTA Board. In no event will the Annual Fundmark exceed 20% of net operating costs for the applicable year

ARTICLE 4. QUARTERLY REPORTS AND INVOICES

- 4.0 GRANTEE shall submit quarterly reports detailing expenditures to date and project status on a quarterly basis (Attachment B). All quarterly reports will be due on the last day of the months of October, January, April and July. Funds may be withheld if quarterly reports are not completed and submitted on schedule.
- 4.1 Requests for reimbursement to GRANTEE shall be made by the GRANTEE submitting invoices quarterly. Invoices shall be submitted along with quarterly reports as stipulated above. MTA shall pay 20% of the reasonable and allowable costs actually incurred by GRANTEE, not to exceed the Annual Fundmark amount described in Section 3 in providing the specialized transportation services described herein.
- 4.2 Net operating costs shall be calculated as provided in the Guidelines. Final payment shall be based on results of the audit as described in Article 5. If MTA overpaid Program funds to GRANTEE, GRANTEE shall return the amount of Program funds in excess of what GRANTEE should have received under this MOU within 30 days of notice. If GRANTEE fails to make such payment within the 30 days, GRANTEE hereby authorizes MTA to offset funds from future payments due to GRANTEE.

ARTICLE 5. ANNUAL AUDIT AND REPORTING OF NATIONAL TRANSIT DATABASE (NTD)

- 5.0 In accordance with Federal Transit Administration (FTA) requirements, GRANTEE shall be audited by the MTA on an annual basis. Audits are intended to confirm fiscal compliance and verify operating statistics reported as part of the quarterly and annual NTD reports.

- 5.1 The audit shall include all operating expenses and operating information including, without limitation, such expenses and information from GRANTEE or any other agencies that directly or indirectly receive Program Funds. GRANTEE shall cooperate and provide information as requested by the MTA or its representative. GRANTEE shall also maintain original source data for a minimum of three years after the completion of each year's annual audit.
- 5.2 Audit findings must confirm fiscal compliance and verify operating statistics allowing MTA to report data in MTA's NTD report. If audit findings indicate that GRANTEE's project data cannot be included in the MTA's NTD report for the given year, the GRANTEE is not eligible to receive Program funds.
- 5.3 GRANTEE shall submit annual NTD data to MTA by August 31 of each year.

ARTICLE 6. CONDITIONS

- 6.0 GRANTEE agrees to comply with the applicable sections of the Guidelines, all applicable local, State and Federal laws, rules and regulations in the provision of public specialized transportation services.
- 6.1 The MTA or their representative may perform field visits at various times throughout the term of this MOU to determine compliance with Federal, State, and Program requirements.
- 6.2 GRANTEE understands and agrees that in programming the Program Funds and entering into this MOU, the MTA is acting pursuant to its statutory authority and shall have no liability in connection with GRANTEE's use of the Program Funds. GRANTEE shall indemnify, defend, and hold harmless the MTA and its officers, agents, and employees from and against any and all liability and expenses including defense costs and legal fees and claims for damages of any nature whatsoever, arising out the performance of the GRANTEE, its officers, agents, employees, and subcontractors in:
 - i) the provision of the public specialized transportation services paid for by the Program Funds including, without limitation, any costs or liability on account of bodily injury, death, or personal injury of any person or for damage to or loss of use of property; ii) GRANTEE's use or misuse of the Program Funds; and/or iii) a breach of this MOU.
- 6.3 GRANTEE is not a contractor, agent or employee of the MTA. GRANTEE shall not represent itself as a contractor agent or employee of the MTA and shall have no power to bind the MTA in contract or otherwise.
- 6.4 GRANTEE is required to meet the maintenance of effort requirements as specified in the Guidelines. GRANTEE's failure to meet such requirements may reduce the Program funds GRANTEE receives hereunder.
- 6.5 GRANTEE shall document coordination activities with existing transit services and with participating local governments. This documentation shall consist of executed agreements, joint resolutions, and/or approved implementation plans.

ARTICLE 7 PENALTIES

- 7.0 In the event the GRANTEE materially defaults in any of its obligations hereunder, including, without limitation, failure to meet the requirements identified in the Guidelines, MTA may declare a default by written notice to the GRANTEE. The notice shall specify the basis for the default. The MTA reserves the right to withhold funds and to terminate this MOU unless such default is cured before the effective date stated in such notice which shall be not sooner than ten (10) days after the date of the notice. The GRANTEE shall return the Program funds to the extent costs or expenses are disallowed or misused as determined by the MTA.
- 7.1 Any withholding of funds, termination of the MOU, or imposition of any financial penalty against GRANTEE under the Guidelines is subject to two-thirds affirmative votes by the governing board of the MTA.

IN WITNESS WHEREOF, the GRANTEE and the MTA have caused this MOU to be executed by their duly authorized representatives on the date noted below:
